New Recommended Flights Fare Search Results

Recommended flights are indicated by an icon and all in policy and based on user's frequent flyer program, preferred flights, fewest stops and cost effectiveness.

Users can click on the **Recommended** label to find out why this flight is being suggested.

The screenshot displays a flight search results interface. A tooltip titled "Why was this recommended?" is open, listing three reasons: "Frequent traveler program: United Airlines", "Company preferred airline", and "Least expensive flight". Below the tooltip, a red box highlights the "Recommended" label, which is accompanied by a star icon. Other labels include "Most Preferred" and "172kg CO₂e". To the right, two flight options are shown: "Economy" for \$193 (Round-trip) and "Economy Plus" for \$315 (Round-trip). The Economy Plus option includes features like "Above average legroom seat" and "Checked bags for a fee".
