**Installation of Filtration units:**

Lessor will provide customer standard installation of point of use equipment at the time of initial sign-up. This includes up to one hour of labor and up to 25 feet of related installation materials; (customer is responsible for the cost of labor and materials in excess of such amounts at a cost of \$2.00 per each additional ft. and \$60.00 for the first hour labor and \$30.00 each additional hour); Lessor is responsible for damage caused solely by Lessor's faulty installation or Equipment failure of the Point of Use Equipment while it is in a Customer's location; provided, however that Lessor shall not be responsible for damages caused by Customer's negligence, willful misconduct or breach of this Agreement. Customer shall be responsible for providing approval for installation, including but not limited to drilling holes, connections to plumbing, access to Equipment for servicing and removal of Equipment. Customer agrees that the Equipment and related installation components remain the property of the Lessor and may be removed by Lessor at the end of the lease.
