

# UCSF Supplier Diversity

## Business Certification Tips for Success

### Virtual Webinar

### Suppliers • Business Owners Professionals • Consultants

Are you interested in working with UCSF and want to learn more about our supplier diversity program? Join the UCSF Anchor Institution Mission (AIM) procurement team as they provide a detailed discussion around opportunities to position your business to connect with UCSF. The session also will include a meet and greet with UCSF Supply Chain Management and Facilities Services buyers.

#### Learn more about:

- UCSF AIM
- UCSF's partnership with the California Department of General Services Procurement Division
- Leveraging new procurement processes
- Successfully leveraging a business diversity certification
- Supplier diversity program goals

*Presented by the UCSF Anchor Institution Mission Procurement and Anchors Away Team, UCSF Supply Chain Management, and California Department of General Services, Procurement Division and Office of Small Business and Disabled Veteran Enterprise Services.*
