

We are excited to let you know that VWR, part of Avantor, recently signed a new contract with the UC Office of the President as a preferred supplier! As part of this new contract there are some added benefits compared to prior years that we wanted you to be aware of:

- Expanded VWR catalog in BearBuy
- FREE Freight for all orders
- Sales specialists and local support for consultation on customized research solutions
- Even more competitive pricing on our over 4 million products
- Exclusive partnerships with the following manufacturers:
